Crunchyroll is a streaming platform that shows Japanese anime to people around the world. These anime shows often have subtitles or are dubbed¹. Viewers can watch them on their computers, smartphones, or TVs. (A)Some people watch one episode a day, while others enjoy watching several in a row.

Crunchyroll started in the United States, but now it has users in more than 200 countries. People enjoy watching anime from many different genres, such as action, romance, fantasy, and comedy. Some anime are for children, but others are made for adults and deal with serious topics like war, love, or friendship.

The platform is popular because it gives fast and easy access to anime. 【 hours, are, a few, some episodes, in Japan, available, are, they, only, shown, after, 】. Users can watch new shows almost in real time. Crunchyroll also helps anime fans connect with each other. (B)It hosts online communities and events for fans to talk and share their love for anime. Fans often post reviews, art, and news on the site.

Crunchyroll is not only for entertainment. It also helps spread Japanese culture around the world. Anime has become an important way for people to learn about Japan and its unique stories, art, and ideas. For many people, anime is the first step in learning the Japanese language or visiting Japan.
